Dr. F. J. Pratt,

University of Toronto.

Dear Dr. Pratt:

Many thanks for your book. I congratulate you on its appearance. It is neat and well got up. I shall have much pleasure in looking into it more carefully as soon as possible. It must be a great satisfaction to you to have completed such a substantial piece of work, and have it issued in such a satisfactory way. Wishing you continued success,

I am,

Yours sincerely,

President.
